**PROXY STATEMENT
OF
RECONDITIONED SYSTEMS, INC.
235 South 56th Street
Chandler, Arizona 85226**

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Reconditioned Systems, Inc., an Arizona corporation (the “Company”), of proxies for use at the 2017 Annual Meeting of Stockholders to be held on August 24, 2017, at 8:00 a.m., Mountain Standard Time. The Annual Meeting will be held at the Company’s corporate offices at 235 South 56th Street, Chandler, Arizona 85226.

This Proxy Statement and the accompanying form of proxy are being first mailed to Stockholders on or about July 20, 2017. The Stockholder giving the proxy may revoke it at any time before it is exercised at the meeting by: (i) delivering to the Secretary of the Company a written instrument of revocation bearing a date later than the date of the proxy; (ii) duly executing and delivering to the Secretary a subsequent proxy relating to the same shares; or (iii) attending the meeting and voting in person (attendance at the meeting will not in and of itself constitute revocation of a proxy). Any proxy, which is not revoked, will be voted in accordance with the recommendations of the Board of Directors as to such items. The proxy card gives authority to the proxies to vote shares in their discretion on any other matter properly presented at the Annual Meeting.

Proxies will be solicited from the Company’s Stockholders by mail. The Company will pay all expenses in connection with the solicitation, including postage, printing and handling, and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. It is possible that directors, officers and regular employees of the Company may make further solicitation personally or by telephone, telegraph or mail. Directors, officers and regular employees of the Company will receive no additional compensation for any such further solicitation.

Only holders (the “Stockholders”) of the Company’s Common Stock, no par value (the “Common Stock”) at the close of business on July 7, 2017 (the “Record Date”), are entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, there were 960,878 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote on each matter to be considered at the Annual Meeting. A majority of the outstanding shares of Common Stock present in person or represented by proxy at the Annual Meeting, will constitute a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of holders of a plurality of the outstanding shares of Common Stock of the Company entitled to vote and present in person or by proxy at the Annual Meeting is required for approval of the election of directors pursuant to Proposal One. Votes that are withheld will have the effect of a negative vote. Broker non-votes are not counted for purposes of determining whether a quorum is present or whether a proposal has been approved. Votes may be cast in favor of or withheld from each nominee. Stockholders voting on the election of directors may cumulate their votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which the Stockholder’s shares are entitled, or may distribute their votes on the same principle among as many candidates as being solicited. In order to cumulate votes, at least one Stockholder must announce, prior to the casting of votes for the election of directors that he or she intends to cumulate votes. The Company will tabulate proxies with the assistance of the Company’s transfer agent. The Company will, in advance of the Annual Meeting, appoint one or more Inspectors of Election to count all votes and ballots at the Annual Meeting and make a written report thereof.
