

Laminate Panel Tiles

Available for both panels and add-on panels, our affordable EZcube Plus laminate panel tiles will add a touch of sophistication and protection to any project. Laminate panel tiles are easy to clean, keep your stations looking new longer and help combat the spread of germs, bacteria and viruses.

Laminate Cleaning Instructions:

To clean the laminate without causing damage or discoloration, use one of our recommended cleaners to disinfect and combat the existence of germs, bacteria and viruses.

Recommended Cleaners:

- Windex
- Glass Plus
- Fantastik
- Mr. Clean
- Formula 409
- Purell Multi-Surface
- Isopropyl (rubbing) Alcohol
